WORK EXPERIENCE

RecTech at DCC / Digital Skills for All - Seattle, WA - *Internship*

July 2019 - PRESENT

A software development and IT pre-apprenticeship program. I work in teams to code and develop web applications, and program games.

ARCS Parks and Recreation - Seattle, WA — *Score and Timer*

February 2019 - PRESENT

A representative at the front desk of Jefferson Community Center and official score and timer for youth basketball .

Teen Council - Seattle, WA — *Social & Community Service Manager*

March 2016 - PRESENT

A self developed program to provide community events for children living in Beacon Hill. I initiated event planning and meetings for my team. I also mentor new volunteers.

Indigo Slate - Bellevue, WA — *Internship; Job Shadowing*

August 2019 - August 2019

I experienced a week of what it's like to be in a team of data analysts. I lived the day to day work life in a tech-company and what it's like to be a data analysis manager.
